SUMMER GROUP PARTICIPANT HOUSING FAQ

When and how should I register for housing?

You can register for housing anytime between now and the deadline listed in red on your registration instructions sheet. Please follow the instructions carefully, making sure to indicate that you are in a group (note your GroupID and authorization code). If you are responsible for your own summer housing charges, be sure to follow instructions about payment that you will receive see after submitting your registration forms.

Can I choose my residence hall?

Because you are affiliated with a group that has prearranged housing for you, your organization has already selected your residence hall, which is listed on your group registration instructions sheet. Participants of a group are typically assigned together within the residence hall, but please keep in mind you may have roommates or suitemates who are not part of your organization.

Can I choose a roommate?

You can form a roommate pairing with another member of your group housing block provided they have selected the same housing gender (female, male, or neutral). Detailed instructions are available on our [roommates page](#).

When will I receive my room number?

NYU will make assignments after everyone in the group has registered. You will receive an email with detailed arrival instructions and your room number shortly before your reservation begins.

How do I request accessible housing?

[Accessible housing](#) requests for individuals with disabilities are determined on a case-by-case basis, as part of an interactive process according to an individual's documented need and prevailing standards. Requests for accessible housing for students with disabilities are reviewed by the [NYU Moses Center for Student Accessibility](#). Current or prospective residents may [request accessible accommodations](#) by providing documentation online to the Moses Center. Please note that submitting a request for accessible housing to the Moses Center does not constitute registering for housing; it is necessary to complete both steps by applicable deadlines to be offered housing that meets verified disability-related needs.

What should I bring?

You should bring your own Twin XL bed sheets, blankets, pillows, and towels. You are encouraged to bring a desk or floor lamp to supplement in-room lighting. If your group is assigned to an apartment style hall (with kitchen), you will need to provide your own cooking and eating utensils.

What is the procedure for bringing a guest?

Before inviting outside guests to your space, you and your suitemates should discuss when guests can visit. Pre-register your guests using the [visitor sponsorship form](#). All residents and their guests must abide by the [NYU Housing policies](#) and the terms of the housing license.

I have more questions!
